# Monty PAX

## TIRE CHANGER

**Hofmann Monty PAX Tire Changer is Michelin PAX System Certified to change the new PAX run-flat wheels.**

- **Pneumatic wheel lift**  
The integrated wheel lift assists the operator in mounting heavy PAX Tires.
- **Ergonomic control panel tool storage**  
Control levers are conveniently located for ease of operation. Tool storage trays and clamping cone pegs are within easy reach.
- **Fast accurate mounting system**  
Monty PAX is supplied standard with a three cone mounting system and Quick-nut to assure a fast accurate centering of the wheel.
- **Training support**  
Trained factory representatives and a CD video illustrate step-by-step instructions on mounting and demounting PAX tires.
